OVERVIEW

NEW DEVELOPMENTS

Since its opening, Hong Kong Disneyland Resort has consistently launched innovative attractions and new entertainment offerings. Most recently, the new Castle of Magical Dreams was launched after undergoing a major transformation into a beacon of courage, hope and possibility at the heart of the park. Taking inspiration from 13 stories of Disney princesses and queens, the new castle's architectural design embraces each of their unique characteristics through the interpretation of color, icons, symbols, patterns and cultural features.

A new castle stage show, *Follow Your Dreams* was launched in 2021 to celebrate the opening of the new castle and takes guests on a musical journey with a selection of both new and classic Disney songs and characters. The all-new multimedia nighttime spectacular, "*Momentous*" – *The Most Magical Show on Earth*, was launched in June 2022 which ignites guests' nights and hearts with an awe-inspiring journey of life through a magical multimedia experience. The new show celebrates each stage of life through a series of six chapters, with projection images of approximately 150 characters from almost 40 Disney and Pixar stories. The castle is also accompanied by the Bibbidi Bobbidi Boutique transformation experience, as well as the "Building a Dream: The Magic Behind a Disney Castle" exhibition.

The continued expansion also saw two Marvel attractions introduced, with Iron Man Experience in 2017 and Ant-Man and The Wasp: Nano Battle! in 2019. There was also the addition of Toy Story Land in 2011, Grizzly Gulch in 2012 and Mystic Point in 2013, to accompany the resort's existing themed lands - Fantasyland, Adventureland, Tomorrowland and Main Street, U.S.A. New themed lands dedicated to Frozen and Marvel have also been announced as part of the resort's multi-year expansion and will soon be the latest additions to its growing lineup of offerings.

OWNERSHIP AND MANAGEMENT

Hong Kong Disneyland Resort is a joint venture between The Walt Disney Company and the Government of the Hong Kong Special Administrative Region. The Government of the Hong Kong Special Administrative Region owns a 52% interest in the resort and The Walt Disney Company owns the remaining 48% interest. A separate Hong Kong subsidiary of Disney is responsible for managing the resort.

ECONOMIC IMPACT

As a key pillar for the tourism industry in Hong Kong, the resort is committed to continuing its significant contributions to the local economy. In the past 15 years of operations combined, the resort has brought approximately HK\$113.7 billion (US\$14.65 billion) of added value to the city's economy, equivalent to 0.31% of Hong Kong's GDP, and has cumulatively created 271,300 jobs (in terms of man-years).

COMMUNITY INVOLVEMENT

Since 2008, Hong Kong Disneyland Resort has leveraged its strong relationships with up to 400 NGOs to distribute over 100,000 park tickets to the local community each year on average. One such partnership is with local NGO Foodlink, under which the resort has donated more than 205,000 surplus meals to people in need across the city since 2013. The resort also has a very robust Disney VoluntEARS program, which has contributed a total of 110,000 service hours since its opening in 2005.

These initiatives allow the resort to touch the lives of the community and solidify its relationship with the people of Hong Kong by giving a helping hand to those with diverse and underprivileged backgrounds, including families, child patients, the elderly and people with different abilities.

THE ENVIRONMENT

Hong Kong Disneyland Resort's extensive environmental initiatives include energy efficiency efforts, "green" purchasing, greenhouse gas reduction, water conservation, waste reduction and recycling in the hotels and park. From September 2018, the resort replaced plastic straws with paper straws which are only distributed upon request, reducing the use of plastic straws by about four million per year. Our efforts also include donation of surplus food to the needy in the community and awareness programs for guests and Cast Members.

Hong Kong Disneyland Resort features one of the largest solar panel sites in Hong Kong. Over 5,200 panels have been installed across 21 of the resort's buildings, with enough capacity to generate up to 2.36 million kWh of energy each year – enough to power over 715 families of three on average.

🏠 **TOTAL NUMBER OF HOTEL ROOMS:** 1,750

🏠 **CONVENTION FACILITIES:** 1,500 square meters (16,145 square feet) of flexible convention and meeting space at Hong Kong Disneyland Hotel

HONG KONG DISNEYLAND HOTEL

The Hong Kong Disneyland Hotel exemplifies the romance and luxury of grand Victorian-style hotels. It is the resort's flagship hotel, with six storeys, 400 rooms and world-class amenities. After launching five Kingdom Club Frozen suites in July 2018, the hotel also introduced four Cinderella Suites to the hotel in July 2019. The hotel's magical offerings include breakfast and dinner with Disney characters, Bibbidi Bobbidi Boutique, outdoor and indoor venues for MICE events and Disney's Fairy Tale Weddings. Guests can also enjoy the buffet-style Enchanted Garden Restaurant, fine dining at Crystal Lotus, Walt's Cafe, Kingdom Gifts, a gym and two swimming pools.

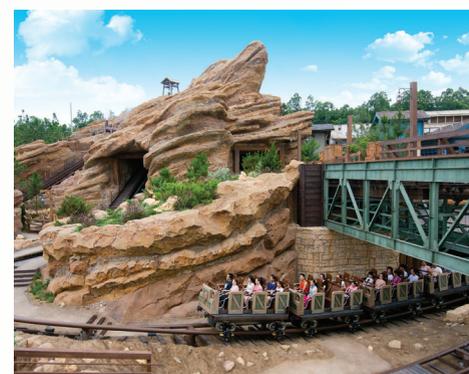

DISNEY'S HOLLYWOOD HOTEL

This hotel features an Art Deco style that recalls the fun and glamor of Hollywood's Golden Age. The eight-storey, 600-room hotel features Chef Mickey, Hollywood & Dine, Studio Lounge and recreational facilities such as a piano-shaped pool with slide and Malibu Games room.

DISNEY EXPLORERS LODGE

The 750-room hotel opened in April 2017, celebrating global cultures and inspiring guests to explore and dream. A new Adventurers Suite launched in July 2020, enhancing guests' experience and further defining the resort as an ideal staycation for families. Guests can find more than 1,000 international artifacts throughout the hotel as they enjoy lush gardens based on the cultures of Africa, Asia, Oceania and South America.

The hotel serves Chinese cuisine at Dragon Wind, international meals at World of Color casual dining at Chart Room Café, and a chocolatier experience at Dreamer's Lookout. Young guests can also enjoy Nemo's Recreation Reef playroom, water attractions at Dreamer's Spring and Rain Drop Pool, as well as memorabilia from The Trading Post.

INSPIRATION LAKE RECREATION CENTRE

Inspiration Lake is the largest man-made lake in Hong Kong. The center also features an arboretum with shady trees, a jogging trail, unique plant life, and tricycles and watercrafts for rent. The resort's one million trees and shrubs are irrigated by a water conservation system that collects rainwater here, saving 70 percent on water use every year.
