These guided group vacations take families to some of the most sought-after destinations in the world, delivering unmatched guest service by trained Adventure Guides and local experts. OVERVIEW

NEW DEVELOPMENTS

The beauty and storytelling of Colombia, the magnificent coastlines and historical sites in Eastern Canada's Maritime Provinces of Nova Scotia & Prince Edward Island, plus an enhanced New Zealand itinerary packed with action and adventure welcome guests traveling with Adventures by Disney in 2024. Each itinerary will offer Disney's signature storytelling with the convenience of hassle-free travel and attention to detail provided by a team of Disney-trained Adventure Guides.

Headlining the new destinations is Colombia, whose people and cultures sparked the imaginations of Disney storytellers as they created the Walt Disney Animation Studios' Academy Award-winning film "Encanto." Now, the travel experts at Disney have curated a one-of-a-kind adventure filled with new discoveries and experiences inspired by the film, and families can go "set-jetting" on their dream trip and see the movie come to life.

THE DISNEY DIFFERENCE

Distinctive Disney quality – With Disney's impeccable service, guests can relax and enjoy memorable experiences with a Disney twist — and surprises around every corner. Adventure Guides – Disney-trained Adventure Guides with a gift for creating family fun lead the groups and bring each destination to life through engaging storytelling for every adventurer.

Local experts – Knowledgeable locals, such as a naturalist in Costa Rica, provide color, context and cultural background in each destination.

Family activities and programs – Specially designed activities ensure that all family members, from kids to grandparents, enjoy their trip their way.

Evenings just for kids – On each trip, "Junior Adventurers" spend an evening with their Adventure Guides and new friends, eating dinner, playing games, and watching movies, while adults enjoy a relaxing evening.

Hassle-free travel – Every detail is taken care of for guests on an Adventures by Disney vacation, including concierge service, transportation, refreshments en route and top-quality accommodations. The idea of "just showing up" and enjoying a seamless experience filled with Disney magic ranks among the top reasons guests choose to travel with Adventures by Disney.
